Participation of Individuals with Disabilities

The City of Portland Parks, Recreation and Facilities Department (the Department) is committed to providing interested participants equal opportunities in and access to its recreation programs. The Department, as part of its mission, provides inclusive programming in an open and welcoming atmosphere.

Qualified individuals with a physical or mental disability are encouraged to request reasonable accommodations to allow them to participate in public programs and services provided by the Department. The Department will make reasonable accommodations for qualified individuals with a disability, so long as the accommodation does not fundamentally alter the nature of the program, pose a direct threat to others, or otherwise impose an undue burden on the City.

Qualified individuals with a disability seeking an accommodation in order to participate in Department programs will be asked to complete a questionnaire in order to determine appropriate accommodations.
