Ice Skating Institute (ISI) Basic Skills Skating Lessons for Tots to Adults...

Sharpen your skills and join us!

Our program welcomes all ages from 4 years to adult. All levels of skating are taught, from tots to advanced. Basic skills instruction enables students to pursue interests in figure skating, hockey, recreational or speedskating. Each weekly session generally consists of a 25 minute lesson and a 25 minute practice. (**Exception:** Tots age 4 and 5 are taught in a 30 minute format.) Students interested in hockey may join our **Hockey Skills** class.

Our instructors are experienced professionals or qualified amateur ice skaters.

● **“Tots”** should be dressed warmly and wear mittens or gloves and a helmet or thick hat. Skaters **MUST** be 4 years old on or before the first class.

● **“Beginner Introductory”** are those 6 years and older who have not received prior instruction, regardless of ability. *Instructor will evaluate student and place at correct level.*

● **Pre-Alpha, Alpha, Beta, Gamma, Delta and Freestyle Levels 1-10**, as designated by ISI, are strictly adhered to. Skaters are 6 years old + and are constantly evaluated and tested at appropriate intervals. Skaters receive a patch and certificate for each level attained.

● **Hockey Skills** - Skaters are 6 years old + and are introduced to balance and flow, agility, speed and correct techniques.

● **Special Events** - Skaters enrolled in Troubh Ice Arena's group lesson program for any one session in a calendar year are eligible for such events as an annual ice show, a summer skating exhibition, in-house competitions, and other activities.

Private Lessons - Should you desire a private lesson for any level skater, speak to the professional of your choice directly or call our office for general guidelines. Time for lessons and costs are determined with the assistance of the professional giving the lesson.

***Open Freestyle (OFS) Practice Ice**

Offered to any participant **currently enrolled at Gamma level or higher**. This is a GREAT time to practice what you are learning in class and/or receive a private lesson! **We encourage you to pre-register for the practice ice. It is limited to 22 skaters. Additional skaters may be allowed at the discretion of the Skating Director.**
